1. The first step is to identify the main components of the system. This involves understanding the hardware and software involved, and how they interact. The next step is to determine the requirements for the system, including performance, reliability, and security. Once the requirements are established, the next step is to design the system architecture. This involves determining the overall structure of the system, including the components and their interactions. The final step is to implement the system, which involves writing the code and configuring the hardware. Once the system is implemented, it is important to test it thoroughly to ensure it meets the requirements and is reliable.

Department of the Interior,

Land Patents Branch,

11th September, 1908.

MEMORANDUM:-

The Sub-agent of Dominion Lands at Lesser Slave Lake, encloses an affidavit made by Mr. Alfred Beauchamp of that place, in which the latter states that he has improvements on Lot No.114, Big Prairie Settlement, and was in peaceable possession of the property prior to the 1st January, 1899.

Mr. Beauchamp represents further that he broke two acres of the lot in 1898, and hauled logs for a dwelling place, and built his house in 1900, and cropped three acres; also that he cropped an additional 32 acres in the years 1901, 1902, 1903 and 1904.

The Sub-agent also submits an affidavit made by Messrs. Louis Jobin and Flavien Savard, in which they corroborate Mr. Beauchamp's statements that he had made improvements on the property, and was in peaceable possession on the 1st January, 1899.

The Sub-agent observes that that several old residents have informed him that Mr. Beauchamp was in occupation of the property on the date mentioned, and recommends the application to the favourable consideration of the Department.

The lot applied for contains 155.74 acres. It would appear, according to the evidence submitted that Mr. Beauchamp is entitled to the lot in question under the provisions of the statute in that behalf, which reads as follows:- "Upon the extinguishment of the Indian title in any territory or tract of land, make to persons satisfactorily establishing undisturbed occupation of any lands

ACTION TAKEN

Sir,

J. B. D.

I beg to acknowledge the receipt of your declaration filed here in defence of your entry for the N.W. $\frac{1}{4}$ of Section 26, Township 59, Range 12, West of the Fifth Meridian, and in reply to say from the information furnished it would appear you have performed very little residence on your land and practically done nothing in the way of cultivation. This is very unsatisfactory and a decided contravention of the regulations.

However, nothing further will be done in connection with the cancellation proceedings now outstanding against your entry at the present time, but same will be held in abeyance until the 1st of April next when it will be necessary for you to satisfy the Agent of Dominion Lands at Edmonton that you are then in bona fide residence on your homestead with the intention of remaining there and otherwise complying with the regulations.

The aforesaid Agent will report here at the expiration of that time when further action may be taken with regard to the said proceedings.

Memorandum.

Deputy Minister.

I beg to submit an application from the Canadian Northern Railway Company to acquire the following lands, comprising about 800 acres for townsite purposes:-

| | | | | | |
|--------|--------|----|---------------|----|------------------|
| Fract. | SW 1/4 | 26 | (E. of river) | in | 59--12 W. 5th N. |
| " | SW 1/4 | 27 | (S. " | " | " |
| " | SW 1/4 | 27 | (E. " | " | " |
| " | SW 1/4 | 35 | " | " | " |
| " | SW 1/4 | 35 | (N. " |) | " |
| " | SW 1/4 | 35 | " | " | " |
| " | SW 1/4 | 35 | (S. " |) | " |

The Company is establishing a divisional point, at the above mentioned location, which is at the junction of the Macleod and Athabaska rivers on the Dunvegan Branch of the Canadian North Western Railway. Please see plans hereunder showing the position of the lands applied for, which are situated about 52 miles North and East of the Company's Telleron townsite, at which point it was allowed to purchase 8 adjoining quarter sections, and it would appear to me that the land the Company is now applying for would probably be a more important divisional point.

The whole of section 35 is held under homestead entries by Messrs. C.F. Chaisson, H.L. Williams, E.A. Goodwin and F.J. Solleck. There are no cancellation proceedings pending against these entries, and abandonment has been filed in favour of the Company, and

you will to favourably consider a sale of the land at a point for divisional purposes to this Company. There is apparently no reason why the above mentioned land should not be sold to the Company at the rate of \$3 per acre.

The fractional NW $\frac{1}{4}$ 26 is the homestead of O. Torgerson. Cancellation proceedings were instituted on the 8th January last, but are at present held in abeyance pending a Homestead Inspector's report. According to the homesteader's declaration as contained in his declaration of abandonment, dated 13th April last, he has been in continuous residence since the 28th January last and has 2 acres cultivated and \$275 worth of buildings. His entry is apparently in good standing, and I beg to recommend that the proceedings be abandoned, and if the Company's application be favourably considered that it be allowed to purchase this land at \$3 per acre.

The fractional NW $\frac{1}{4}$ 27, South and East of the river, stands as a sale to A. H. Weir but has not yet been paid for in full. If the Company's application is approved it would have to secure a deed of transfer from Mr. Weir and complete the payment of principal and interest due the Department in connection with the sale to him. In this case no additional charge should be made for the land. The fractional NE $\frac{1}{4}$ 27, South and East of the river, stands as a sale to Mr. O. Torgerson, subject to his earning patent for his homestead, the NW $\frac{1}{4}$ 26. The Company has sent here an abandonment in its favour, but I think a deed of ~~conveyance~~ transfer would convey a better title. In this case the Company must complete the payments of principal and interest in connection with the sale to Mr. Torgerson, and no additional charge should be made for the land.

Respectfully submitted,

In further reference to my letter to you of the 16th April last, in regard to the NW $\frac{1}{4}$ 26--59--12 W. 5th N., (see your file 159912) I am to say that it would appear from the statement of Mr. O. when deeds are the actual documents we thought perhaps that some confusion might have arisen with regard to the different functions of the Registry Office and the Land Titles Office. In other words, you believe that the property was under the Real Property Act and that the certificate of title could be obtained upon the registration of the deeds. The registration of the deeds will place the title of the property in the name of the Crown, but in order to obtain a certificate of title under the Real Property Act, we shall have to, on behalf of the Crown, make an application to bring the property in question under the provisions of the Real Property Act. The procedure is, in itself, simple, and does not take long, unless there are any difficulties in regard to the title.

Upon the land being brought under the Real Property Act, a certificate of title will then issue.

Do you desire us to take proceedings to bring the land under the Real Property Act, or will you be satisfied with the registration of the deeds in question?

I return you the file.

Yours truly,

(Sd) E. H. Plummer.

Q. R. 1883.

Winnipeg, October 2nd, 1883.

Honorable Minister of Justice,
Parliament Buildings,
Ottawa, Canada.

Dear Sir,

Reference is made to the letter from the Northern Railway
Company to the Crown of the U.S.A. of date
21. Township 3, Range 1, East of the 100th
M.P. 1883.

We have received your letter to the effect that you
to obtain the same from Mr. David Smith. We at last
succeeded in obtaining a deed in duplicate from the Northern
Railway Company, dated 1st March 1883.

We find, upon searching at the Land Office, that
in 1881, the Northern Railway Company had obtained a
deed of the land in question, but it was under the old
system, that is, under the Registry Act and the provisions in
connection with it, and not under the new system.

We have, therefore, sent the deeds to the Registrar at
Winnipeg, with instructions to register them, and return the
originals to the Northern Railway Company.

Upon looking through the file which you sent to us,
namely No. 2298721, we see that on December 2nd, 1883, you
wrote a letter to Mr. David Smith, enclosing the deeds, and
copying to him a letter (referred to, to the deeds)
and suggesting that he should be registered in order
to obtain the title of the land in the record, and to obtain
a certificate of title under the new Registry Act, upon the
fact that the letter referred to, used the word, "conveyance."

Department of the Interior,

DOMINION LANDS AND CROWN TIMBER OFFICE,

Edmonton, Aug. 1st, 1908 190

Sir,-

I need to refer to my letter of the 9th Jan. last, enclosing a report from the Homestead Inspector on the N.E.¼-8-52-2-W68-M (not the S.E.¼ as was stated in my letter) and to ask if Mr. Wm. Morris who holds homestead entry for the N.W.¼ may be permitted to purchase the Frac. S.E.¼, which contains 13.2 acres.

Your obedient servant,

A. B. L.

The Secretary,

Department of the Interior,

Ottawa, Ont.

G.R.

Ref.No.1629514.

Department of the Interior,

Land Patents Branch,

COPY on File 149429-A.

30th September, 1908.

MEMORANDUM:-

Mr. William Morris alleged that his homestead the N.E. $\frac{1}{4}$ of Section 8, Township 52, Range 2, West of the Fifth Meridian, did not contain the theoretical area, and asked to be granted another homestead or be permitted to purchase the adjoining fractional N.E. $\frac{1}{4}$ of the same section.

The Homestead Inspector who was asked to report in the matter stated that Mr. Morris desired to purchase the land covered by his entry, and that he (the Inspector), was of the opinion that it would not be prejudicial to anyone if the applicant were allowed to purchase the land, exclusive of the island.

Mr. Morris' entry for the said N.E. $\frac{1}{4}$ of Section 8, had been cancelled in default, but the Agent submitted a defence made by the entrant and the point seemed to be, although the Inspector recommended that Mr. Morris be allowed to purchase his homestead, as to whether or not he (Morris) should be reinstated in his entry. This point only was therefore decided upon, your decision, (My memorandum of the 20th February last, marked, File No. 149429-A), being that the applicant might be reinstated in his entry if he was in actual residence on the property, and engaged in the fulfillment of his homestead conditions by the 1st of May last. The Agent of Dominion Lands was duly advised of this decision and reported under date the 7th July of the same year that Mr. Morris had been reinstated in his entry.

The Agent now asks whether Mr. Morris may purchase the fractional N.E. $\frac{1}{4}$ of the section in question.

J.W. Greenway, Esq.,
Commissioner of Dominion Lands.

The

The land applied for which is shown hatched in red on the township plan annexed hereto, and contains 15.2 acres, is vacant in the records of the Department.

Mr. Morris now asks that the said N.E. $\frac{1}{4}$ of Section 8, be added to his homestead, and points out that if this were done the combined area would be only a little more than one hundred acres.

It will be observed that Mr. Morris' original application was to purchase the fractional N.E. $\frac{1}{4}$ of the section; that he subsequently applied to purchase the land covered by his entry, which application the Inspector recommended be granted, and, as it was thought, the question had been narrowed down as to whether or not he should be reinstated in his entry the only decision arrived at was with respect to that phase of the question.

Chief Clerk.

in April of the same year, to break land in a garden etc. At that
time the land was not surveyed, but during the last time
it has been R. 23. N. 4. I might say, and a Mr. Farmer (who has been in
his place two years and about 2 months) has entered in our name.
There is a title of our land that his buildings are on, and his wish
is to homestead our place with all our breaking, home, etc.
and buy his place with his own breaking and rest of his
he claims we have no right as we had a claim elsewhere, but
so has he, and has it rented, I believe it is near Montreal,
I think this place should be ours, we have had a stopping place
ever since we have, and people travelling were glad of it, as then
nearest place north was 20 miles, the Landing, and 30 miles south, but
except at Stone Creek 10 miles south was a bachelor (Mr. Lawrence) used to
stay in summer and come again in the winter to sell it to his wife,
have no other means of making a living but this place and our
position, our building, breaking, home, etc. would be a great loss to
let them go. My son, who is nineteen, can take up his land,
lived on it since he was eleven and has helped to all the time.
but I would rather have a home of my own, he has
to hold it, but if you will let us have it, he ^{can} take
where land is good for farming. There is very little

The Minister of the Interior states, under date of the 24th September 1919, that Mr. William B. Whitely squatted upon the South-East 1/4 of Section 26, Township 27, Range 23, West of the 4th Meridian in the year 1908; that he resided thereon continuously until March 1909, and has also made improvements to the value of \$775.00

of this land.
Mr. Whitely has exhausted his homestead right, but the Minister recommends, in consideration of the improvements made, that authority be given for the sale of this quarter-section to him at the rate of four dollars per acre (\$4.00), payable one fourth in cash, and the remainder in three equal annual instalments, with interest at five per cent.
The Committee submit the same for approval.

Dear Sir,

I am sorry to hear that the license has not yet been granted. I am sure that the authorities will take into consideration the facts of the case and grant the license as soon as possible. P.O. 1.

Whitely moved away from that neighbourhood, and his father, who, only wished to be permitted to acquire the South West Quarter himself in view of the fact that there were so many improvements on the place, and it was decided to permit him to have the land at \$1. per acre. An Order in Council to that effect was obtained on the 18th October 1881. Mr. Whitely paid the first instalment on account of this purchase in the month of February 1882 amounting to \$100. His request now is for a reduction in the price of this quarter section and also to be allowed to purchase the adjoining North West Quarter which he, himself, occupied prior to survey. As for the price of the land, it may be pointed out that in the case of a number of settlers prior to survey, at Fort McPherson, who had already expended their right in a free homestead it was decided that they should be permitted to acquire their respective holdings at \$1. per acre subject to the performance of the ordinary homestead duties. In view of the reasonableness of the land now claimed by Mr. Whitely, it seems to me that we would have been justified

in

F.O. 3.

in asking the necessary authority to sell him this
quarter section at ³4.00 per acre subject to homestead
conditions, and the other at 14.00 per acre without
homestead conditions. The patent for the latter quarter
section not to be issued until he has earned title to
the former.

Respectfully submitted,

Assistant Deputy Minister.

Executive Order

1889

The Minister of the Interior submitted, under date 4th. August, 1911, that by Order in Council of the 12th. of October, 1911, authority was given for the sale to Mr. William F. Whiteley of the South-East quarter of Section 26, Township 63, Range 23, West of the 4th. Meridian, at the rate of four dollars per acre. This action was taken in view of his continuous residence since 1889, and the valuable improvements made by him.

The Minister states that Mr. Whiteley has paid the first instalment on account of this purchase, but now applies for a reduction in the price of this quarter-section, and also to be allowed to purchase the adjoining North-East quarter of the same section upon which it is shown that he had made certain improvements prior to survey.

The Minister recommends, — in view of the fact that Mr. Whiteley has resided for eleven years on the South-East quarter, his residence commencing before survey, and in view of the comparative remoteness of the land, — that the price of the South-East quarter be three dollars per acre, the sale to be made subject to the performance of the ordinary homestead duties, and further that Mr. Whiteley be permitted to purchase the North-East quarter of the section at four dollars per acre without homestead conditions.

The Honourable
The Minister of the Interior.
